MEMORANDUM FOR: Chief, Materiel Branch, DPD

SUBJECT: Requirements for Additional Phones

1. Due to the recent rearrangement of offices assigned the Requirements Section, the Photographic Officer and Electronics Officer do not have telephones on their desks. Since both officers concerned conduct considerable business by phone, it is imperative that they have access to telephone service. In the interest of economy, the desks of these individuals have been placed back-to-back so that a single set of telephones will suffice.

2. Request action to have extensions of phones numbered [redacted] and a four button [redacted] phone placed on the desks referred to above. Extension numbers of Executive phone should be [redacted]

3. Request also that the two button Executive numbered phone on the desk of the Chief, Requirements Section, be replaced by a four button model, same extensions as para 2.
